St. Louisan Killed by Skid into  
Pole  
St. Louis, March 28--(AP)--  
Herman Amelung, 42, was killed  
when his motor car skidded off a  
county road and crashed into a  
pole last night. Deputy sheriffs  
expressed the belief Amelung,  
who a few hours before had  
been fined for speeding, was  
driving at a fast clip when the  
accident occurred.
