NOVEMBER 24, 1926 – MARCH 31, 2016

IN THE CARE OF

Alexander-White-Mullen Funeral Home and  
Mt Lebanon Cemetery

Lorraine J. Rouse (nee Kellogg), 89, of Florissant, passed away peacefully on Thursday, March 31, 2016. She is preceded in death by her parents, Cleo and Mildred Kellogg and her husband, Arthur D. Rouse. Lorraine is survived by her children, David (Becky), Dan, Chris (Cindy), Harold, and her precious cat, Annie; grandchildren, Matt, Dawn (Mike), and Amy; great grandchildren, Logan and Dylan; and special friends of many years, Betty and Marie.

Lorraine was the rock of her family. Widowed as a young woman, Lorraine raised her boys on her own and was incredibly independent, resourceful, strong, and loving. Caring for people was Lorraine's destiny and her kindness spread throughout her life. She also loved animals and offered her home to many through the years. She was an incredible cook and when the boys were growing up, all the neighborhood kids wanted to come to her home to eat her tasty ham and beans though their own homes may have been serving something more eloquent. Lorraine was obsessed about giving birthday dinners and would plan them months in advance for those she loved. She enjoyed reading, crocheting, cooking, and gardening and feeding her birds—cardinals were her favorite. Lorraine was an amazing lady and she will be missed greatly.
