

Sheriff E. F. Leach left last Tuesday for Chamois in response to notice informing him of the apprehension of Charley Hall at Sedalia by Marshal Johnson of Chamois. Hall and Louis Saner have been connected with a gambling hall at Chamois, and the recent session of the grand jury returned two indictments against them. Hall, after the indictments were returned against him and Saner, left the county. He was afterwards located at Sedalia and brought to Chamois. Saner was some time ago arrested and gave bond for his appearance at circuit court. Hall was served with a warrant by Sheriff Leach this week, but upon furnishing bond for his appearance at circuit court for trial, was released.
