

Surveyor's District, Northern Part A.T.
T. N. 14 R. N. 13. West of the Basis Meridian

Table with multiple columns containing handwritten entries, likely representing land survey data. The table is organized into a grid with various sections and subsections. The entries include names, numbers, and other survey-related information. The table is divided into several large sections, each with its own set of columns and rows. The handwriting is in cursive and appears to be from the late 19th century.
